

Frontiers e-book on Microbial Ecotoxicology

A Frontiers e-book, comprising all the articles featured in the Research Topic “Microbial Ecotoxicology” hosted by *Frontiers in Microbiology* and *Frontiers in Environmental Science*, is available online.

This free e-book, which was co-edited by Stéphane Pesce, Fabrice Martin-Laurent, Ed Topp and Jean-François Ghiglione, brings together 42 articles co-authored by 281 investigators.

EcotoxicoMic 2020 International Conference: Program and Registration

The detailed scientific program is now available : <https://ecotoxicoMic20.sciencesconf.org/program>

	Tuesday October 6 th	Wednesday October 7 th	Thursday October 8 th	Friday October 9 th
8:40am				
11:40am	WELCOME - Registration and badges	SESSION 2: Microorganisms in complex systems: biological interactions, pollution & climate change	SESSION 1: Impact of contaminants on microbial functions	SESSION 4&5: Microorganisms for ERA - & - Microbial ecotoxicology: from research to end-users
1:40pm	OPENING SESSION	POSTER SESSION LUNCH	POSTER SESSION LUNCH	ORAL AWARDS CEREMONY CLOSING SPEECH
5:40pm	POSTER SESSION	SESSION 3: Microorganisms role in contaminant (eco)dynamics & application to bioremediation	SESSION 1: Impact of contaminants on microbial functions	
7:30pm	WELCOME - COCKTAIL		SESSION EcotoxicoMic Network	
			SESSION 1: Impact of contaminants on microbial functions	
			SESSION 5: Microbial ecotoxicology from research to end-users	
			POSTER AWARDS CEREMONY	
			CONFERENCE DINNER	

Don't hesitate to register!

- ⇒ The deadline for intermediary registration fee is September 6th.
- ⇒ The deadline for poster abstract submission is September 15th.
- ⇒ A few places are still available for the Dromics training course.

Please note that the organizers are in regular contact with the French authorities regarding the COVID situation.

Sanitary measures during the conference will be adapted according to the latest directives and recommendations. Reimbursement will be made in case of impossibility to join the conference because of sanitary measures and travel restrictions.

Oral and poster Awards

The best oral and poster presentations by young researchers (PhD students and post-docs) will be awarded **with a total prize of 4,500€** offered by **Environmental Science and Pollution Research (ESPR)**

It's not too late to submit your poster abstract

New Research Topic in Frontiers in Microbiology

<https://www.frontiersin.org/research-topics/14404/microbial-ecotoxicology-advances-to-improve-environmental-and-human-health-under-global-change>

50% OFF

Submit your abstract or your article to the **Frontiers in Microbiology Research Topic** entitled :
“Microbial Ecotoxicology Advances to Improve Environmental and Human Health Under Global Change”

Exclusively for attendees of EcotoxicoMic 2020, Frontiers will offer a **50% discount** on the full publishing price for the 40 first manuscripts submitted. Articles will be published as soon as they are accepted.

Any ideas or information to share through the EcotoxicoMic newsletter, website or mailing list?

Please contact us @
