Organization of our 3rd International Conference - EcotoxicoMic2022

- 145 participants from 24 countries
- 6 international keynote speakers
- 35 oral presentations
- 67 poster presentations

EcotoxicoMic2022 awards

Thanks to a grant from the Journal *Environmental Science and Pollution Research* (Springer), the **4 Best Oral Presentations** and the **5 Best Posters** were awarded.

Oral presentations

- 1st Charles Henriot
- 2nd Sara Correa-Garcia
- 3rd Abel Barre and Vanessa Moreira

Posters (no ranking)

Sadia Bagagnan, Kristina Bitter, Camille Dop, Laura Kergoat, Gretel Waugh

Main 2023 events

⇒ Publication of the FEMS MICROBIOLOGY ECOLOGY Thematic Issue on Microbial Ecotoxicology

Submission deadline: end of January 2023

https://academic.oup.com/femsec/pages/call_for_papers

⇒ Organization of the second international webinar of young microbial ecotoxicology researchers - EcotoxicoMicYR_2023

Organized by and for young researchers in microbial ecotoxicology (PhD students and Post-Docs), this series of webinars will take place in autumn 2023.

More Information coming soon!

All PhD students and Post-Docs interested in joining the EcotoxicoMicYR board are warmly invited to send an email @ ecotoxicomicyr@gmail.com

⇒ Celebration of the 10th anniversary of the creation of the French section of the EcotoxicoMic Network and of the Roaltain Foundation for Environmental Research (June 6th-7th, 2023 - Francophone events)

Bringing science to the people

Organisation of an outreach event

Pint of Science (as a satellite event of EcotoxicoMic 2022)

Microorganisms: our invisible allies (in French)

The EcotoxicoMic network wishes you all the best for 2023
